OPERATIONAL GUIDELINES FOR "PVTG EMPOWERMENT FUND" UNDER CIF IN OPELIP AREAS.

Background

Odisha PVTGs Empowerment & Livelihoods Improvement Programme is in operation in 17 MPAs of 12 districts covering 22 blocks with the objectives of enhancing living conditions and reduction of poverty of PVTG and poor Tribal, SC and other Households in PVTG areas of Odisha under the aegis of ST & SC Development Department. The programme is being implemented by various community level institutions promoted/nurtured through OPELIP.

In OPELIP, there are four types of components. One of the components is Community Empowerment under which SHG and their federations are included. As part of social inclusion and community strengthening process, programme gives more emphasis upon the SHG led people's institutions.

Odisha Livelihoods Mission (OLM) is an autonomous society under the aegis of Panchayati Raj and Drinking Water Department, Government of Odisha, presently implementing National Rural Livelihoods Mission. OLM aims at alleviating poverty through rural livelihoods promotion by mobilizing the poor and vulnerable households into different community level institutions like SHGs, federations and producers' groups/organizations. For operational and financial sustainability of these federations, OLM provides different types of financial assistance for various purposes like office establishment, capacity building of member organizations, meeting credit needs of households through their SHGs, livelihoods promotion, vulnerability reduction etc.

Among different fund provisions created to meet the above needs of the community, Community Investment Fund (CIF) is designed specifically to provide loans to the women members through their SHGs, to support & initiate innovative community enterprise and also to provide small grant or loan to extremely vulnerable or destitute individuals in order to cover the risks and graduate beyond the existing sub optimal existence.

With this background, a **strategy note has already been circulated** jointly by OPELIP & OLM in the month of January 2019 and it is in progress in line with the note. Further, a **MoU has already been signed between OLM & OPELIP on 30th December, 2019**

The detail activities, role & responsibilities of each is clearly defined in the MoU. Basically, the MoU speaks about Social Inclusion, Financial Inclusion, maintenance of Books of Record (BoR), Livelihoods Convergence and Monitoring Mechanism.

Under Financial Inclusion component of OPELIP, it has been decided to provide grant in aid of Rs. 5.00 Lakh to each Gram Panchayat Level Federation (GPLF) as "PVTG Empowerment Fund" (PEF) under Community Investment Fund (CIF). This fund shall be a grant to GPLFs coming under the operational area of OPELIP. PEF will be treated as subcomponent of CIF and will be utilized for the same purposes of CIF. However, this fund will be provided exclusively to PVTG SHG members through their respective SHGs. Further, based upon their credit requirement and absorption capacity funds would be provided from OPELIP in subsequent tranches.

Objective

The objective of providing this fund is to provide access to formal financial credit to PVTG SHG members at door step at affordable cost. The members of the SHG can avail this loan from GPLF through their SHGs, for all purposes as per existing guidelines of Community Investment Fund (CIF) under OLM. However, some relaxation of norms shall be followed for utilizing the "PVTG Empowerment Fund" under CIF placed at GPLF level in adhering to their own system and procedures meant for CIF utilization guidelines of OLM. The detailed modalities of utilization of this fund by GPLF are given below;

Fund flow Mechanism from MPA to GPLF

Opening of Bank Account

- A. Bank account may be opened at GPLF level in the name of GPLF for receiving grant in aids from OPELIP which will be utilized for PVTG SHGs only with facilitation of BMMU, OLM. Preferably the accounts name would be **OPELIP PVTG Empowerment Fund**.
- B. This accounts preferably be opened in the same bank branch where GPLF has already opened its account for receiving funds from OLM or nearby banks whichever is good and accessible to GPLF and SHGs for transaction.
- C. The president & Secretary of GPLF will operate the bank account.
- D. Once account is opened, the GPLF should submit a xerox copy of bank passbook and a resolution copy to MPA, OPELIP for placing of funds facilitated by BMMU, OLM.
- E. Micro Project Agency (MPA), OPELIP will release the funds as a grant in aid to GPLF through A/C payee cheque/ Transfer in name of the GPLF. A sanction order will be communicated to

that GPLF with an intimation to BMMU, DMMU and SMMU of OLM and PMU of OPELIP for information

- F. If opening of new account for GPLF is getting delayed or seems to be delayed, the funds can be transferred by MPA, OPELIP to the existing GPLF CIF account through A/C payee cheque/ Transfer in name of the GPLF. A sanction order will be communicated to that GPLF with an intimation to BMMU, DMMU and SMMU of OLM and PMU of OPELIP for information. However, efforts are to be taken up for opening of separate accounts and after which the funds can be transferred from the existing GPLF account to the new one for better record keeping

Designing Loan Product for SHG

The GPLF can design and provide two types of loan product from PEF such as:

II. Regular loan

- a. Consumption Loan (Festivals, social gathering, marriage, education, housing, debt redemption etc.)
 - b. Production Loan (Business, agriculture, livestock dev. Etc.)
- I. Emergency loan (Medical, fire accident, Natural calamities, death etc.)

- SHG should be member of the GPLF through CLF
- SHG must have enrolled in NRLM MIS.
- OPELIP fund is applicable only for PVTG SHGs.
- SHG should have at least one member belonging to PVTG.
- All PVTGs SHGs are eligible to avail loan. However, a bank loan defaulter SHG will not be allowed to avail CIF loan till repayment of existing loan.
- SHG should have received financial literacy and Micro Investment Plan module training (optional).
- MIP of SHG has to be prepared, appraised & recommended by CLF to GPLF. In case CLF is not functioning well or not promoted, directly the concerned SHG can avail loan from GPLF.
- CRP-CM, OLM and CRP of OPELIP should facilitate in preparing MIP.

Loan disbursement modalities

- Loan from PEF under CIF can be availed by PVTG members only through their SHGs.
- A PVTG SHG satisfying the eligibility triggers can avail loan from GPLF as per their requirements reflected in MIP. The due diligence i.e. appraisal process is to be followed.

- The PEF at GPLF level to meet the loan requirement of PVTs SHG. If any additional funds requirement is there over and above of Rs. 5.00 lakhs, the additional requirement can be made from CIF, OLM. In this case the rate of interest will be as applicable for PEF. However, this can be reported to OPELIF for further placing of funds to that GPLF within no time.

Interest rate

- 3% Per annum on reducing balance method for SHGs from GPLF
- 6% Per annum on reducing balance method for members from SHGs
- However, in case of old, destitute, single women headed households and persons with disabilities, the interest rate will be charged at 3 % Per annum. Besides, there could be flexible repayment schedule as fixed by the SHG/CLG/GPLF.
- Moratorium period may be fixed as per requirement with a maximum of 3 months period for each loan. It is compulsory to pay interest during the moratorium period. After moratorium period, SHG have to repay the loan along with interest in each month on regular basis as per the loan installment fixed at the time of loan agreement.

Emergency Loan

Each loan will follow appraisal process and certain relaxation will be given for emergency loan cases.

- In case of emergency, appraisal process may be suspended but the SHG need to request for financial assistance on behalf of the victim because ultimately SHG will be held responsible for repayment.
- The interest rate @ members as well as SHG may be relaxed up to zero.
- Repayment schedule may be relaxed for that SHGs.

Fund flow Mechanism from GPLF to PVTG SHG

- GPLF should also release the fund to PVTG SHG as a loan through A/c payee cheque/ transfer in name of the SHG.
- At the time of repayment of installment by SHG to GPLF, the concerned SHG must deposit the cash in CIF Bank account of GPLF and submit the bank deposit slip/ counter foil at CLF/GPLF level. No cash transaction should be allowed for repayment of loan.

Monitoring mechanism of Maintenance of records and repayment of Loan

- GPLF Participatory Monitoring sub-committee and Utilization & Verification sub-committee will review the repayment of loans given from CIF. In case of defaulter, sub-committee will

take necessary action such as understanding the reasons, creating peer pressure, bringing the matter into the EC meeting, informing to BMMU Staff of OLM and PMU of OPELIP.

- The financial transactions should be updated on Financial Web based application of NRLM online fund disbursement module and OPELIP.
- To ensure transparency and accountability in financial transactions, all transactions at SHG level should be captured at Transaction Based SHG Digital Accounting System (TBSDAS) of OLM.
- Separate Cash Book, Ledger and Demand Collection & Balance (DCB) register for this "PVTG Empowerment Fund" under OPELIP should be maintained at GPLF level. It should be maintained on regular basis.

They need to focus on dimensions like CIF utilization, repayment performance, idle cash etc. Further, he/she shall also furnish the monthly financial statement in the prescribed format (Receipt & Payment, Income & Expenditure and Balance Sheet) to BMMU.
- Block Project Manager (BPM), OLM and SM, Livelihoods & Rural Finance Officer of OPELIP should visit jointly in at least 5% SHGs (who have availed loan) in OPELIP operational areas within the concerned block.

Before placing any additional funds by OPELIP at GPLF level, an assessment of utilization of fund and absorption capacity of SHGs will be done jointly by both OLM and OPELIP. Then further fund will be allocated to that GPLF based on requirements and assessment report.

N.B. The above terms and conditions for utilization of "PVTG Empowerment Fund" under CIF are applicable to the GPLFs coming under the operational area of OPELIP only, in addition to the existing CIF guidelines of OLM. In other GPs, CIF will be released following the approved CIF Guidelines of OLM only.

Sub: Regarding amendments in the operational guidelines for utilization of the PVTG Empowerment Fund (PEF) in OPELIP areas.

Madam/Sir,

In inviting a reference to the subject cited above, I am to inform you that, as a part of OLM and OPELIP's collaborative intervention for poverty reduction and enhancement of living conditions of the PVTGs, an amount of Rs.5.00 Lakhs each has been provided to 79 GPLFs as PVTG Empowerment Fund (PEF) under the Community Investment Fund (CIF). The guidelines for the utilization of the said fund has been circulated vide joint letter no. 257, dtd. 03.02.2020 of the office of OLM & OPELIP.

Due to the pandemic situation which has badly hit the PVTGs, few amendments have been made to ensure hassle free loan availability of PVTG Empowerment Fund (PEF) for the needy PVTGs. The modified points have been enclosed for your kind reference.

Therefore, you are, requested to instruct the concerned DPMs and BPMs to sensitize the concerned GPLFs to adhere to the amendments while utilizing the Community Investment Fund in OPELIP areas.

Yours faithfully,

State Mission Director-cum-CEO

Amendments in the Operational Guidelines for circulation to 12 OPELIP Districts:

1. Along with PVTG members, all ST households may be allowed to avail loan from this fund (PEF), following the guidelines circulated earlier including the current one. However, preference/priority should be given to PVTG members/SHG.
2. SHGs having 50% or above of its members under PVTG category may be considered as PVTG SHG and eligible for loan for the entire group. But due attention needs to be given that all PVTG members are taking loan in that group.
3. In both these cases, SHG has to apply on behalf of members for loan from GPLF.
4. OPELIP Staff i.e. Livelihoods & Rural Finance Officer, Community Institution and Nutrition Officer and Social Mobiliser will prepare the MIP in the format developed by OLM. This may be recommended after due verification by the Special Officer of MPA within 2 days after which GPLF needs to make necessary release of funds to that SHG at the earliest without any delay. Keeping in view the pandemic situation, loan approval and disbursement by GPLF Executive Committee may be made based upon past credit history and off-site with due diligence.
5. The loan ceiling limit for individual members may increase from Rs. 10,000 to Rs 20,000 as per the requirements of the members. However, all applications should come through the SHG.
6. Interest rate from members to SHG may be @4% per annum and to GPLF from SHG @2% per annum at reducing balance.
7. Moratorium period may increase to more than 3 months based on the purpose of the loan. Principal and interest may not be paid during this moratorium period. However, interest may be calculated during this moratorium period and once the moratorium period is over, this amount has to be repaid.
8. MBK and CRP-CM have to ensure the writing of books of records at GPLF and SHG level respectively.
9. CRP of OPELIP is to ensure maintenance of Books of records of SHG where CRP-CM of OLM is not available.

Sub: To provide PVTG Empowerment Fund (PEF) loan to all the members of the PVTG SHGs.

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to inform you that, as part of OLM and OPELIP's collaborative intervention for poverty reduction and enhancement of living condition of the PVTGs, the PVTG Empowerment Fund (PEF) under Community Investment Fund (CIF) has been provided to 81 GPLFs out of the 89 GPLFs. The guidelines for the utilization of the said fund has been circulated vide joint letter no. 257, dtd. 03.02.2020 of the office of OLM & OPELIP and letter no. 925, dtd. 06.07.2020 of the office of OLM.

However, in the SHGs with mixed social group, the households other than PVTG and ST were debarred from getting access to finance under PVTG Empowerment Fund placed at GPLF level, even though they are a part of the PVTG SHG. Keeping their concern in mind, OPELIP has agreed to provide PEF to all the members of the PVTG SHGs, even if they do not belong to the PVTG. The first loan preference should be given to the PVTG members, followed by others. If PVTG members in that group are not taking loan, then that SHG will not be eligible for taking PEF loan.

You are, therefore, requested to ensure the sensitization of concerned GPLFs regarding the availability of PEF to all the members of the PVTG SHGs through the DPMs and BPMs.

Yours faithfully,

Paper plate unit gives smile in the lives of Dongria Women

Raygada, AO Bureau: Siali leaf abundantly available in the Dongria hills in Raygada district. Siali leaf is one of sustainable. The Siali leaf is huge demand in the all sector leaf which can add the additional income to the tribal. For value addition it needs to stitch with machine and press. The women SHG can improve their livelihood from Siali leaf stitching. Huge market demand locally and outside the GP1 and Plate can make in 2 firms one is 18 inch and another one is by pressing it stitching.

Kahali and press khali press machine. Eying on the availability of the raw material we press unit at Khajuri in the year 2020-21. The Maa Mangala SHG was selected to operate the few units but the quality of the pressed khali was not accepted in the local market. Also the cost of the pressed leaf plate was little higher in compare to the plain

handmade khali. So in the very next year i.e. 20-21 FY we set to the paper plate unit. Initially we train them, they got scared of operating the machine. After repeated follow up they started operating the machine and produce good number of plates in the year. They look as well as in the PVTG villages. They also took orders for the marriages and festivals to supply paper plate. In the year 2021-22 the SHG had marketed a sum of Rs. 36950/- in the year 2021-22. The SHG members were excited this time and resolve to start the unit and resolve to agriculture work and produce raw material in a more profits. The SHG members are very much thankful to the officials for encouraging them in new livelihood opportunities.
